

KRANSPOORT
DISC GOLF

CADDY BOOK

COURSE RULES AND TIPS:

OUT OF BOUNDS:

These OB rules apply to every hole unless otherwise stated in the hole's description in the caddy book.

The entire golf course is out of bounds. If there is doubt on whether the disc is OB on the golf course, the benefit of the doubt goes to the player.

The paved road and beyond is out of bounds and the next shot must be played from point of exit.

LOST DISCS:

If a disc is lost and cannot be found by the entire card in 3 minutes of it being reported lost, the disc will be declared lost and the player must throw his next shot from his previous lie, with a penalty stroke.

Don't stress! Your disc is not lost for good, someone will find it!

ORDER OF PLAY:

Let the card that started play to the basket first, finish first.

If two cards get to the green at the same time, putt out as if you're one card with the furthest players from both cards putting first.

MANDATORIES:

Mandatories have a 'stroke and distance' rule. If you miss the mandatory, you gain no distance and throw your next shot again from the same spot. There is one penalty stroke added.
